Dinners are held on the 4th Tuesday of every month.

We believe that your overall well-being includes emotional, developmental, and physical health. That is why we have partnered with the primary care doctors of Central Maine Medical Group and the Maine Health Access Foundation (MeHAF) to bring our expertise right into the doctor's offices, where we can help care for ALL of you.

Services are available at

- Naples Family Practice
- North Bridgton Family Practice
 - Fryeburg Family Medicine
 - Bridgton Internal Medicine
 - Bridgton Pediatrics

This project is funded by the Maine Health Access Foundation
