

Caring for All of You

Integrated Primary Care

Join us for free dinner and discussion

Tuesday, January 25, 2011, 5:30pm

Crisis Response in Your Community

Laurie Cyr-Martel, TCMHS Manager of Emergency Services

Bridgton Congregational Church

33 South High Street, Bridgton

Call Jessica Jendrick at 647-6159 to reserve your seat!

(Dinners are held on the 4th Tuesday of every month.)

Upcoming Topics

Tuesday February 22: ADHD

We believe that your overall well-being includes emotional, developmental, and physical health. That is why we have partnered with the primary care doctors of Central Maine Medical Group and the Maine Health Access Foundation (MeHAF) to bring our expertise right into the doctor's offices, where we can help care for ALL of you.

- On-site, real time consultation between medical and mental health providers
- Medical education and consultation i.e. medical rounds by psychiatrists on mental health topics
- Brief, short term, solution oriented treatment & intervention
- Expedited intake for ongoing services in the community
- Community education and involvement—FREE Monthly Dinner & Discussion Meetings featuring topics related to health & mental health services and information you can use to stay well.

Services are available at

- Naples Family Practice
- North Bridgton Family Practice
- Fryeburg Family Medicine
- Bridgton Internal Medicine
 - Bridgton Pediatrics

This project is funded by the Maine Health Access Foundation
