## **Excitement at Social Learning center in Lewiston!**

Seated front row: Keith Jandreau, Dan Tardiff, Ron Brown, and Morgan Struss  
Back Row L-R: Jon Keating, Abby Hall, Chief Paul Leclair, Lt. Rick Callier, Marc Goulet

Engine 5 drove up to SLC at 80 Strawberry Avenue with Lt. Rick Callier of the Lewiston Fire Fighters Association, President of the Union, who was accompanied by Chief Paul Leclair and firefighters Jon Keating and Marc Goulet. They surprised consumers and staff who they previously had visited as part of Fire Safety Prevention with T-shirts that said, "Stop, Drop and Roll" with their logo on the front. SLC serves adults who have intellectual and developmental disabilities. Carol A. Lanier who teaches Social Awareness at SLC and is a part of Tri-County Mental Health completed a safety unit on Fire Safety in early fall. The Firefighters gave demonstrations of their equipment and answered questions about fire safety at that time. The local fire fighters are heroes in the eyes of the individuals at SLC and the generosity of Lewiston Fire Fighters Association of their time and effort were greeted with shouts and cheers of appreciation.
