

Caring for All of You

Introducing Integrated Primary Care with Rumford Hospital

We believe that your overall well-being includes emotional, developmental, and physical health. That is why we have partnered with Rumford Hospital Primary Care and the Maine Health Access Foundation (MeHAF) to bring our expertise right into the doctor's offices, where we can help care for ALL of you.

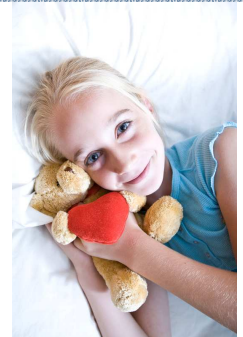

Services include

- Immediate, on-site consultation
- Medical rounds by psychiatrists on mental health topics
- Brief, short term treatment & intervention
- Expedited intake for ongoing services in the community
- Community education and involvement
-

Services are available at

- Swift River Family Medicine
- River Valley Internal Medicine
- Elsemore Dixfield Family Medicine

Just for Kids!
Does teddy have a tummy ache? Is dolly feeling down? Bring them to the **Teddy Bear Clinic!**
We'll help you both feel better.
